Gentlemen:

Thank you for your e-mail dated July 27, 2005.

As requested, enclosed is a draft Response to Office Action. Also enclosed are four Declarations to be executed by each of the four named inventors, prepared pursuant to 37 C.F.R. §132, which simply serves as evidence that they are the same individuals as named in the paper cited as prior art. If it is inconvenient to have the Declarations signed by the inventors, let me know, as it may be possible to persuade the Examiner to withdraw the citation without the Declarations, though I suspect that the Examiner will require some explanation in the event the Declarations cannot be provided by the named inventors.

Very truly yours,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN
